## A NEW, EXPANDED FACILITY DESIGNED FOR COMFORT

Petlink Veterinary Care in Kiulap has been well established since year 2000. The tremendous growth and demand has resulted in branching out to a larger facility (double the size) and offers four private examination rooms with spacious waiting area with serene surroundings that keep your pet relaxed and secure.

Pet Planet Veterinary Care has been operating since August 2015. Similar to Petlink Veterinary Care, Pet Planet Veterinary Care is a full service veterinary clinic, specialising in small animal health care.

With Pet Planet Shop located just opposite to our unit, you can get your pet supplies and merchandise at your convenience.

## A PET WELLNESS CENTRE THAT PROVIDES:

- Consultations
- Medical Care
- Vaccination & Other Preventive Care
- Boarding & Hospitalisation Facilities
- Pet Grooming & Skin Care
- Major & Elective Surgery
- Diagnostic Laboratory (Coming Soon)
- Dentistry
- Ultrasonography
- Health Certification & Blood Rabies  
Titre Test for Pet Exportation

Do note that our pet grooming, elective surgeries (Spay & Neuter) and dental services are by appointment only.

## WELL-TRAINED STAFF READY TO RESPOND TO YOUR PET'S NEEDS

Our veterinarian, Dr. Ana Kadir (DVM) has been with Petlink Veterinary Care since graduated from Univerisiti Putra Malaysia after completing her degree in Doctor of Veterinary Medicine in 2012.

Dr. Ana now leads a team of well-trained assistants at Pet Planet Veterinary Care, caring for a wide variety of companion animals.
